SSCP

Semester Skill Certification Programme (SSCP) transforms every semester into a global credential milestone. Beyond the core curriculum, each student completes one internationally recognized certification per semester from **leading global universities and corporate bodies**, facilitated through reputed platforms such as Coursera, LinkedIn Learning, and other globally recognized learning networks.

SIIP

Semester Industry Immersion Programme (SIIP)-Every semester, students step into real industry environments through structured immersion experiences (2 to 10 days, designed as **mini-internships)**. This exposure builds practical skills, industry confidence, and professional readiness well before graduation.

OLT

Outbound Leadership Training (OLT) is conducted annually once by **corporate trainers**, this program builds leadership mindset, discipline, and confidence through experiential challenges and guided activities.

FEP

Field Exposure Programme (FEP) is organized annually once, **offering structured visits to research centers, industries, and scientific institutions** to connect classroom learning with real-world exposure.

GIP

Global Immersion Programme (GIP) is a structured international exposure initiative featuring

- Online certification training,
- Global collaborative project, and
- Physical Global Immersion Visit

to build global competence and perspective.

The Official Skill Identity of a Rathinam Graduate

The Rathinam Skill Passport is not just a record — it's a live map of your child's growth, capturing every skill, exposure, and experience that makes you industry-ready and globally confident. From SSCP (Semester Skill Certification Programme) and SIIP (Semester Industry Immersion Programme), to FEP (Field Exposure Programme), GIP (Global Immersion Programme), OLT (Outbound Leadership training), and real-world learning — every milestone you complete adds power to your SCORE on the final page of the Skill Passport.

Global Exposure through CRS

Your global journey is linked to CRS, and achieving a score of 4 simply reflects your readiness — not pressure. It's a structured, guided pathway designed to open possibilities, not create fear. Whether it's international exposure or global collaboration,the Skill Passport prepares you step by step — at your pace.

At Rathinam, your Rathinam Skill Passport tells your story — how you learned, how you evolved, and how ready you are for the world.

This isn't about going abroad.

This is about being globally ready — wherever you choose to go.
